Winter 2018

Program Fee: \$5,592.07

Deadline: September 29th

This program allows students to study the history and literature of Apartheid and post-Apartheid South Africa in tow of its largest urban areas—Johannesburg and Cape Town. It is designed to give students an interdisciplinary background on the literature, history, and culture of South Africa. Being in the country provides students with the opportunity for experiential learning, and allows them to study the effects of legal and systemic segregation and oppression, as well as analyze how post-apartheid South Africa memorializes and narrates this history.

**Available as an Honors course*
