Minors are optional, and if you choose to complete a minor, one course may count toward both the minor and the major with approval of the associate chair. (Such approval is not needed for a CWR or LNG course; either will be double-counted without approval.) Important: in order to complete the Creative Writing minor, students must contact the Creative Writing coordinator to discuss the requirements.

The English major requires a total of 11 courses, including 3 Literary History (1 before 1660) and 3 English Electives. When a course counts for both the major and the minor, or when you have transferred in a course that counts toward your English major or your minor, please note that your courses (including transfer credits, which are typically 16 units for an associate’s degree) must still add up to 32 units.
