March 29th**

.....  
**8:00 - 9:15**

.....  
**Meet & Greet  
After**

After an unsuccessful suicide attempt in 2008, comedian and storyteller, Chris Smith penned "Tattooed & Educated" as a form of personal therapy. Nearly a decade later, Smith adapted his manuscript into a one-person show highlighting his personal experiences with family addiction, rehabilitation, incarceration, poverty, and most importantly, the power of perseverance. Join Smith as he shares his personal story through comedy and honest storytelling.
