

Program Planner for Students in [Secondary Education English \(12 units\)](#)

+ [Urban Education \(13 units, including Spanish 101-103\)](#) + the [MAT \(10 graduate courses\)](#)

This planner does not include zero credit required courses. It assumes no AP or transfer credit at all. Students may cover “Gender” and “Global” inside the English major, inside WVWK, or inside a free elective. [Students must take at least one class in American, at least one class in British, and at least one class in World. No more than 6 English major classes may be taken at the 200 level.](#) Students who select LNG 201 instead of LNG 202 must give up one free elective to take a fourth Liberal Learning class that meets SCHP. Students who place into a SPA 102 or SPA 103 gain a free elective and can consider a Spanish minor.
